revised 08/01/07

The year listed with scholarship indicates when the scholarship was established.

- *** Endowed Scholarship
- ** Annual Scholarship
- * Scholarship in Progress (Has not reached Endowment Level)

*** The book value of an **endowed** scholarship is invested, and only the income earned is what is used for scholarship aid. The scholarship will always be there. The more money that is in the scholarship, the more income is earned that will provide financial assistance for Alderson-Broadus Students.

* A scholarship that is in progress is growing toward the minimum endowment level, before it will be invested to earn money for scholarship assistance. The minimum level to endow a scholarship is currently \$20,000.

To make a contribution to any of the above scholarships, you may send a check to the Advancement Office at Alderson-Broadus College, P.O. Box 2154, Philippi, WV 26416. Indicate on your check which scholarship you would like to have your contribution directed. All scholarship contributions are greatly appreciated.
